

## **Update 3 to COVID-19 Restricted Access (3/30/20): Effective Immediately**

**Dear Residents, Resident Families, Guests/Visitors, Vendors and Staff:**

**Following President Trump's extension of the National Crisis due to the COVID-19 (Coronavirus) pandemic and the recommendations from the Centers for Disease Control (CDC) and the Centers of Medicare & Medicaid Services (CMS), we are continuing to restrict all non-essential personnel and visitors to our community through April 30<sup>th</sup> except for those residents in the last stage of end of life diagnosis.**

**Our pre-screening procedures remain mandatory for all individuals (including paid staff and third-party healthcare providers) who are allowed to enter the community.**

**We know that this is difficult, but please be assured that it is for the continued health and safety of each resident and for the staff providing their care.**

**Please utilize your phones, cards & letters, and social media to stay connected to your loved ones.**

**Stay well!**
